2024 Sponsor Prospectus

“This event is so welcoming and people-centric... this conference is like a family gathering to me!”

ABOUT THE SUMMIT//

The **2024 Southeast Energy Summit** explores the potential to advance new technologies, build better programs, establish a diverse energy workforce and prepare a more resilient region through energy efficiency.

The obstacles and opportunities for the future of energy efficiency have never been greater than they are right now. Join us November 20 - 22, 2024 in Nashville, TN to forge a build a healthier, more efficient and prosperous Southeast!

ABOUT SEEA//

The **Southeast Energy Efficiency Alliance (SEEA)** promotes efficient energy as a catalyst for economic growth, workforce development, and energy security across 11 southeastern states. We provide research, consultation and education, stakeholder facilitation, program management and financial services to a diverse set of companies and organizations in the energy sector.

WHY SPONSOR//

The Southeast Energy Summit is the leading networking and learning experience on energy efficiency in the Southeast. When you sponsor the summit, you'll gain access to key players needed to help realize your organization's program, policy, and business development goals.

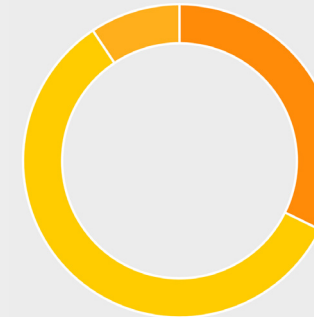

In previous years, the summit has brought together over 300 senior decision-makers, utility leaders, regulators, program managers, entrepreneurs, and advocates from across the energy sector.

Your sponsorship also supports SEEA's vision that all people in the Southeast can live and work in healthy and resilient buildings, utilize clean and affordable transportation, and thrive in a robust and equitable economy.

"[The] SEEA conference has great spirit!"
